

data specification

item-no.:	ICAE5018
description:	cord-end-sleeve non-insulated
DIN-Standard:	46228 part 1
cross-section:	50mm ²
hole length (l1):	18 mm
copper-material:	Cu-ETP
surface:	tin plated 3 µm
temperature resistance:	until max. +105° C
max. operating voltage:	1000V (higher voltages may be possible after consultation)

dimensions:

d1: 10.1 mm
l: 18.0 mm
