Weight	5,55 kg

Measurements:

Width	495 mm
Lenght	365 mm
Height	80 mm

Accessories:

Hjulsats	16 540 19
----------	-----------

Basic unroller made of powder coated steel and steel rollers, for quick and safe unrolling of cables from drums and bobbins.

The rollers can easily be adjusted with screws. In that way the basic unroller fits drums with an outer diameter of 150-600 mm.

Delivered fully mounted with rubber feet
