

SUPPLIER SELF-DECLARATION

AMF ANDREAS MAIER GMBH & CO. KG

GENERAL INFORMATION

Company	Andreas Maier GmbH & Co. KG
Address	Waiblinger Straße 116, D - 70734 Fellbach Postfach 17 60, D - 70707 Fellbach
Phone	+49 711 5766 - 0
Fax	+49 711 575725
E-Mail	amf@amf.de
Homepage	www.amf.de
Founding year	1890
Management	Johannes Maier
Commercial register	HRB 261588
VAT number	DE147321245
DUNS number	315008607
Employees	230
Turnover	49,7 Mio. EUR
Markets	Europa (focus), Asia, America
Locations	Germany, Austria, Brazil and India
Production location	Germany
Certification (available at www.amf.de , chapter „company“)	> DIN EN ISO 9001 since 1997 > Environment aspects are most significant for AMF; a certificate is not available yet.

Status AEO

DE AEOF 124876

Inspection
documents

Against surcharge the following
documents can be handed out:

- > Certificate of compliance according to
EN 10204 - 2.1
- > Inspection certificate according to
EN 10204 - 3.1B

CE Declaration of
Conformity

The products two-hand control panel and
vacuum pump meet the requirements of all
CE directives. We include this CE declara-
tion of conformity in each packing of our
goods.

RoHS 2011/65/
EU and extensi-
on 2015/863/EU
(RoHS 3) /REACH
EC/1907/2006

According to our present knowledge, all
our products (exceptions: aluminium screw
jack and intermediate ring, brass latch head)
meet the current requirements of the direc-
tives and regulations.

Product range

We offer solutions to improve productivity
of our customers which go far beyond the
pure clamping of work pieces on
machine tables.

CLAMPING SYSTEMS FOR MACHIN- ING CENTRES / WORK PIECES

Zero-Point clamping systems
(Zero-Point-Systems)

CLAMPING FIXTURES

Modular fixture systems

CLAMPING DEVICES

Standard clamping elements, block-clamp-
ing systems, single and multiple clamping
systems

SCREW DRIVERS AND SCREW WRENCHES OF EVERY DESCRIP- TIONS

Hexagon keys, Torx-screw drivers, hook
wrenches, pin wrenches, wrenches for
machine tools, socket spanners, open-
ended spanners, coupling wrenches,
customer solutions

Product range
- Continuation

MAGNETIC CLAMPING SYSTEMS

Magnetic clamping plates, control units, hand remote controls, pole extensions

STANDARD CLAMPING ELEMENTS

Standard and pneumatic clamping elements: toggle clamps, power clamps, modular screw jack, clamps and block clamping systems, support blocks, clamping bolts, nuts and washers, clamping sets, pull-down clamps, positioning elements, centring clamps and eccentric clamps

HYDRAULIC CLAMPING TECHNOLOGY, PRESSURE GENERATORS

Pressure generators, hollow-rod and built-in cylinders, push-pull cylinders, threaded and block cylinders, swing clamps, pull-down clamping elements, centring clamps, support elements and accessories

STANDARD PARTS FOR MACHINE EQUIPMENT / FIXTURE BUILDING

Clamping bolts, nuts, dished-, spherical- and standard washers

VACUUM CLAMPING TECHNOLOGY

Vacuum clamping plates, adapter mats and plates, surface-mounted blocks, vacuum pumps, liquid separators and accessories

AUTOMATION TECHNOLOGY

Automation of machining centres with grippers. Wireless sensing systems - for a fully automated, unmanned production process: gateway, sender-unit, microswitches

MARKING SYSTEMS

Bank details

Name of Bank: Commerzbank AG
Bank identifier code: 600 800 00
Account number: 321 167 800
BIC: DRESDEFF600
IBAN: DE20 6008 0000 0321 1678 00

Min. order quantity

Orders under EUR 50, – net value are subject to a small order surcharge of EUR 10, –.

CAD-files

Approx. 50 CAD-formats are supported.
Examples for most common formats:
> 2D-Formate: DXF, AutoCAD
> 3D-Formate: SolidWorks, SolidEdge, Creo, Catia, NX Unigraphics, STEP, IGES
Available at www.amf.de,
chapter „Service“ / „CAD Data“

Interfaces

- > EDIFACT
- > Format e-mail
- > Online-shop

Product liability

Limit of liability: 10.000.000 €

Date of publication: February 2023
