

Kabelrollator

Article no: 7800601017

Type no: 601017

EAN no: 5708421020786

Technical data:

Max width cable drum	Unlimited
Max/min ø cable drum	Unlimited
Min hole ø cable drum	70 mm
Max load	1000 kg
Weight	2,5 kg

Measurements:

Diameter	240 mm
Height	87,5 mm

This small cable management tool is only 24 cm in diameter, but can still handle cable drums up to 1000 kg

The cable drum stands on the side of the tool, therefore there is no limitation to the size of the drum. However we do not recommend drums larger than 1000 mm in diameter

Kabelrollator is uniquely designed to be cost efficient. The price is hard to beat!
