## R54 – Heavy Duty Hammer Tacker

Powerful, professional hammer tacker offering the ability to deliver extra long staples with precision. Robust construction facilitates a long working life and together with a large magazine, these characteristics allow the R54 to confidently handle intensive jobs. The perfect solution for high-frequency fastening of roofing and insulation material and damp proof coursing, the R54 can even be used on thicker insulation material, leather or rubber or textile flooring.

### Features:

- Large buffer plate protects the material in work
- Well balanced with non-slip handle
- All steel, heavy-duty construction
- Made in Sweden – top quality
- 2 year guarantee

Protective Buffer Plate

### Specification:

- For Flat wire staples 140, 10-14 mm
- Supplied in Box or Touch & Feel Blister
