

BTX140 - Cordless Staple Gun

With its strong 7,2V Li-Ion battery the BTX140 fires more than 1300 staples per full charge with a speed that exceeds most other cordless staple guns on the market. Suitable for many tough jobs including fastening of lighter wooden boards or sheet wood and construction materials such as insulation, vapor guards, plastic wrap, cardboard, paper or other materials that require good grip from the staple.

Features:

- Fires more than 1300 staples per full charge
- Long lasting 7,2V Li-Ion battery with no self discharge
- Power adjuster to adapt driving depth of staple/nail
- Safety nose to protect against accidental firing
- See-through staple indicator
- Dual magazine for both Flat wire staples and Brad nails
- Long working life to cope with demanding work
- Delivered in plastic case
- 2 year guarantee

Specification:

- For flat wire staples 140, 6-14 mm
- For brad nails no.8, 15mm
- Supplied with battery & charger in Rapid Showcase™
