Pipe Clips M16 M63

Application	Pipe clips for plastic or metal conduit pipes M16 to M63	
Standards	IEC 60364-1: 2005, Low voltage electrical installations	
Fixing Hole	Slotted hole suiting screws dia. 4 to 5 mm and impact plugs M6 Recommended clip distance: 50 to 60 cm (20" to 24")	
Material	Impact resistant halogen free polypropylene light grey RAL 7035	
Operating Temperature	-25 °C ... +60 °C	
Type / Nominal Diameter	Module Width "A"	Pull-off Force (plastic pipe, approx.)
M16	22 mm	40 N
M20	28 mm	40 N
M25	35 mm	50 N
M32	42 mm	50 N
M40	53 mm	80 N
M50	69 mm	90 N
M63	82 mm	70 N
Safety	Edges rounded	
Environment	All materials and manufacturing processes comply with RoHS regulations.
