

MPN: MC-HDM19192V2.1

# HDMI Cable 8K, 2m

Ultra High-Speed 8K@60Hz 48Gbit HDMI 2.1 Cable with Dynamic HDR and enhanced Audio Return Channel (eARC). Supports resolutions up to 10K and refresh rates up to 120Hz. This cable is backwards compatible

- HDMI 2.1 8K60Hz
- 48Gbps
- Support YUV sampling: 4:4:4
- HDCP 2.2
- Great Performance

## Specifications

|          |                                     |                               |
|----------|-------------------------------------|-------------------------------|
| Features | 3D                                  | Yes                           |
|          | Audio Return Channel (ARC)          | Yes                           |
|          | AWG wire size                       | 30                            |
|          | Bandwidth                           | 48 MB/s                       |
|          | Cable length                        | 2 m                           |
|          | Cable material                      | Copper                        |
|          | Colour sampling                     | 4:4:4                         |
|          | Connector 1                         | HDMI Type A (Standard)        |
|          | Connector 1 form factor             | Straight                      |
|          | Connector 1 gender                  | Male                          |
|          | Connector 2                         | HDMI Type A (Standard)        |
|          | Connector 2 form factor             | Straight                      |
|          | Connector 2 gender                  | Male                          |
|          | Connector contacts plating          | Gold                          |
|          | Data transfer rate                  | 48 Gbit/s                     |
|          | Dolby technologies                  | Dolby TrueHD                  |
|          | HDCP                                | Yes                           |
|          | HDCP version                        | 1.4/2.2                       |
|          | HDMI Ethernet channel               | Yes                           |
|          | HDMI version                        | 2.1                           |
|          | High Dynamic Range (HDR) supported  | Yes                           |
|          | High Dynamic Range (HDR) technology | High Dynamic Range 10 (HDR10) |
|          | High Dynamic Range 10 (HDR10)       | Yes                           |
|          | Magnetically shielded               | Yes                           |
|          | Maximum refresh rate                | 120 Hz                        |
|          | Maximum resolution                  | 7680 x 4320 Pixels            |
|          | Plug and Play                       | Yes                           |
