

PVA-20CSE PAVIRO Call Station Extension

www.boschsecurity.com

BOSCH

Invented for life

The PVA-20CSE is a call station extension for the PAVIRO system. The call station extension has 20 customizable selection buttons. A maximum of five call station extensions can be installed on one call station.

Other properties:

- Two indicator lights (green/red) per button
- Label with transparent covering – the label can be changed at any time
- Can be used as a standing or desk/rack flush-mounted device
- Internal monitoring with error logging – complying with all relevant national and international standards
- Easy configuration – use of IRIS-Net software

For more information, see the operating instructions and the IRIS-Net documentation.

System overview

1 Selection buttons

- 1 EXT OUT ports
- 2 DIP switch for address selection

Installation/configuration notes
