ANSMANN LED strip with a sensor

- ANSMANN LED strip with a sensor - 2 m long with 60 LEDs - warm white
- The LED strip can be shortened as required
- The double-sided adhesive strip can be attached to the control unit if required, thus offering flexible mounting
- With an integrated motion sensor and optional twilight sensor so that the light is only activated in the dark.
- The PIR motion sensor has a detection range of up to 5 metres and a detection angle of up to 180°.
- Adjustable lighting duration ranging from about 15 seconds to around 5 minutes
- Including 4× ANSMANN alkaline AAA batteries

INFORMATION

Product name	LED strip with a sensor
Part No.	1600-0436
EAN-Code	4013674182800
Customs tariff number	85414010000
Product content	Control unit with a battery compartment, LED strip, 4× AAA batteries, operating instructions and warranty card

Packing + Product	125 × 30 × 272 mm / 176 g
Packing Unit	36 (385 × 310 × 410 mm)
