Article-No.		Country of origin:	CZ
		Customs tariff no.:	82054000

- Anti-roll feature and swivel cap for rapid twisting
- Kraftform Micro handle for fast and ergonomic working
- Indispensable for many users, including electronics technicians, opticians, precision engineers, jewellers, EDP hardware fitters and model-makers.
- Kraftform Micro set in a robust pouch
- Suitable for docking with the Wera 2go system

High quality Wera Micro screwdriver set for precision mechanical work. Rapid twisting is possible by fixing the hand on the twist cap and using the fast-turning zone just below it. This makes time-consuming grip adjustments unnecessary. Power zone with integrated soft zones ensure the transfer of higher tightening and loosening torque. Precision zone for the right angle for adjustment work. The Wera Black Point tip offers high corrosion protection and an exact fit. Includes practical rack for tidy storage of the screwdrivers.
