Technical data		
Ambient temperature		
Operation with permanently installed cable	-20 80 °C	
	Module-end power connector 0 55°C	
Operation with moving cable	0 60 °C	
	Motor-end power connector 0 55°C	
Storage	-20 80 °C	
	Module-end power connector -20 70°C	
Kind of connection cable	Basis cable	
Material of the cable sheath	PVC DESINA color orange RAL 2003	
Type of insulation	CFC/silicone-free	
Standard for behavior in fire: flame resistance	EN 60332-1-1 to 1-3	
Oil resistance	EN 60811-2-1 (mineral oil only)	
Verification of suitability as authorisation for USA	UL758	
Verification of suitability as authorisation for Canada	CSA-C22.2-N.210.2-M90
