

Technical drawing of a rectangular component with rounded corners. The drawing shows two views: a front view (top) and a side view (bottom). Key dimensions and features include:

- Top View Dimensions:**
 - Overall width: 70
 - Overall height: 60
 - Inner width: 59,5
 - Inner height: 34,2
 - Corner radius (top-left): R1
 - Corner radius (top-right): R0,5
 - Corner radius (bottom-left): R6,25
 - Corner radius (bottom-right): R2,5
 - Distance from top edge to centerline: 0,5
 - Distance from bottom edge to centerline: 7,1
- Side View Dimensions:**
 - Overall depth: 10
 - Inner depth: 8
 - Centerline offset: 0,5
- Other Features:**
 - A 60° angle is indicated at the top corner.
 - Two arrows labeled "C" point downwards towards the centerline.
 - The drawing includes dashed lines to indicate hidden internal features.

Technical drawing of a mechanical part, showing a cross-section with dimensions: R2, R5, 5, 10, and 18.
