

## Dual Snap-In-Jack Faceplate Module

### PRODUCT DESCRIPTION

The Brand-Rex Dual Snap-in-Jack Faceplate offers angled support for two Snap-in-Jacks. The product is assembled on a metal frame with a robust earthing point. Each port is protected with hinged door dust caps and the easy read label compartment allows individual port identification. The product is delivered fully assembled for ease of installation. Fully compliant with industry standards.

#### PRODUCT CHARACTERISTICS

##### Packaging

- The product is delivered fully assembled in boxes of 5 qty. Cardboard separators offer maximum protection. Snap-in-Jacks and faceplates are sold separately, see below for details.

##### Applications

- Installation of Snap-in-Jacks for Datacom Network Installations in poles, floor boxes and wall trunking systems.

##### Installation

- Suitable for Brand-Rex Snap-in-Jacks, see compatible parts list below.
