Always light when you come home

Philips Yarrow LED outdoor wall light in black is made of high quality synthetics and has a motion sensor for safety. The round dome design with 3 signature stripes brightens up outdoor areas with strong but diffuse warm white light.

Sustainable light solutions

- Energy saving
- High quality LED light
- Long operating life up to 25 years
- Warm white light
- Philips offers 5 year warranty on the LED module and driver

Designed for your garden

- Motion sensor included, for convenience and reassurance
- IP44 - weather proof

PHILIPS

Highlights

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Long operating life

A light source you can trust. The LED bulb, delivered with this Philips LED lamp, will last up to 25.000 hours (which equals 25 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Motion sensor included

A motion sensor is included to welcome you when you return home or let you know when someone has arrived. When the sensor detects movement, the lamp switches on automatically.

IP44 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing

water, this product is most common and ideal for general outdoor use.

Specifications

Design and finishing

- Color: black
- Material: synthetics

Extra feature/accessory incl.

- LED integrated: Yes
- Motion sensor: Yes

Garden area

- Garden area: Frontyard

Miscellaneous

- Especially designed for: Garden & Patio
- Style: Contemporary
- Type: Wall light
- EyeComfort: No

Power consumption

- Energy Efficiency Label: Built in LED

Product dimensions & weight

- Height: 21.4 cm
- Length: 21.4 cm
- Net weight: 0.390 kg
- Width: 7.8 cm

Service

- Warranty: 5 year(s)

Technical specifications

- Lifetime up to: 25,000 hour(s)
- Light source equivalent to traditional bulb of: 47 W
- Total lumen output fixture: 600 lm
- Bulb technology: LED, 230 V
- Light color: warm white
- Mains power: Range 220 V - 240 V, 50 Hz
- Fixture dimmable: No
- LED: Yes
- Built in LED: Yes
- Energy class included light source: Built in LED
- Number of bulbs: 1
- Wattage bulb included: 6 W
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
