

TECHNICAL DATA SHEET

PRODUCT NAME

blackbolt® Chain Oil

PRODUCT NUMBER

3356985010

PRODUCT DESCRIPTION

Chain Oil has been developed to withstand the highest demands for lubrication of equipment in industry and the automobile sector. The product withstands washing with water and cleaning with most chemicals. Outstanding for the lubrication of chains, couplings, bearings etc. Contains specially developed adherence, anti-wear, anti-corrosion and lubricating additives. Protects against rust attacks, even in very damp operating conditions. The temperature range is from minus 30° C to plus 180° C.

PROPERTIES

Penetrating
Protects against rust attacks
High adherence properties
Protects against corrosion and wear

DIRECTIONS FOR USE

Shake the can and spray directly on to the article.

MARKINGS/SAFETY

Extremely flammable aerosol. Pressurised container: May burst if heated. If medical advice is needed, have product container or label at hand. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. **Keep out of reach of children.**

Danger!

PR number	2114598
Net	345 g.
Volumen	500 ml.
Propellant	Carbon dioxide

Shelf life	Three years from date of manufacture. The product can be used for up to six years after the date of production, provided there is sufficient spray pressure to allow it to be applied to the surface in a satisfactory manner.
