

FM Mattsson Siljan Shower kit

- Safety mixer FMM 8380-1500 and shower set FMM 8370-3900
- Shower set has anti lime-scale hand shower with Eco Flow 9 l/min, shower bar with slider, soap dish and wall brackets with sealing

Our new FM Mattsson Siljan collection combines design with eco-friendly and energy-saving functions without compromising on comfort. The Siljan shower range includes a wide selection of overhead shower and hand shower sets.

The showers can be combined with a Siljan thermostatic shower or bath mixer. Or make things simple by choosing one of our smart all-in-one overhead or hand shower sets.
