

## DWS780

### 305mm Compound Slide Mitre Saw with XPS

#### Selling Proposition

- Outstanding cutting performance in both small profiles and large construction timbers up to 110 x 303 mm
- XPS Shadow line cut indicator provides fast accurate alignment of the blade while illuminating the work piece for increased productivity no adjustment required
- Heavy duty durability with the ability to fully adjust your machine to maintain accuracy over the life of the tool.
- New quick release bevel stop setting provides accurate and simple setting of bevel angles up to 49° left and right
- Easy to use mitre and bevel controls making the tool fast and simple to change from one set up to another
- Cam action mitre lock function makes mitre setting faster and easier allowing the user to quickly adjust angles between 0° - 50° left and 0° - 60° right

#### Standard Equipment

- High Quality 60 tooth blade
- Blade spanner
- Dust bag
- Material Clamp

#### Warranty Specifications

- DEWALT 3 year European PT Guarantee (subject to registration)
