

Precision indexing plungers with straight indexing pin, Form B, lockable

Item description/product images

Description

Material:

Steel.

Grip ball thermoplastic.

Version:

Hardened and ground.

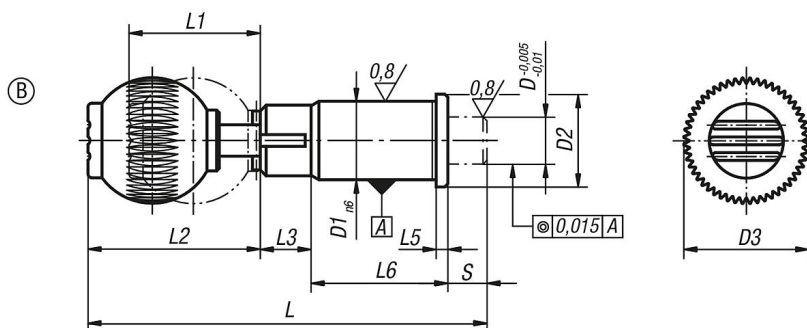

Grip ball black grey.

Note:

The indexing plungers with bushes are a perfect combination for rapid positioning and fixing. The precise design of both the indexing plungers and the bush guarantees high repeating accuracy when assembling two elements.

Technical Information see assembly and installation instructions.
