

Bushes cylindrical

Item description/product images

Description

Material:

Steel or 1.4034 stainless steel.

Version:

Steel version:

black oxidised, hardened and ground.

Stainless steel version:

bright, hardened and ground.

Note:

Matching bushes for premium indexing plungers with cylindrical pin K0736.

Assembly:

To increase the coaxial alignment accuracy, the hole for the bush and the premium indexing plunger can be machined simultaneously.
