

Angled Snap-in-Jack Faceplate Module

PRODUCT DESCRIPTION

The Angled Snap-in-Jack Faceplate Modules offer angled support for one or two Snap-in-Jacks. Each module is supplied with coloured icons and an improved label feature allowing for easy port identification. The product is compatible with CR jacks (AC6JAKS000CR) and fully compliant with industry standards.

PRODUCT CHARACTERISTICS

Packaging

Coloured port identification Icons supplied with each module. One of each colour with single port and two of each colour with double port. Ten modules per box.

Applications

Installation of Snap-in-Jacks for Datacom and Network installations in poles, floor boxes and wall trunking systems

Installation

Suitable for approved Brand-Rex Snap-in-Jacks, see compatible parts list below.
