Advanced LED light

- High light output

Energy saving

- Built-in LED, as part of the system

PHILIPS

Highlights

Easy to maintain

Long operating life

High light output

High-quality light with strong light output. The light shines at a beam angle of 40° – the perfect angle for spot lighting.

Integrated LED light source

Even light distribution

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.
