

Magnet coil for contactors 7.5 kW 400 V AC, 50 / 60 Hz, 440 V, 60Hz, for motor contactors, Size S0, Screw terminal

| General technical data |             |
|------------------------|-------------|
| Product brand name     | SIRIUS      |
| Product designation    | Magnet coil |

| Control circuit                                                                |              |
|--------------------------------------------------------------------------------|--------------|
| Type of voltage of the control supply voltage                                  | AC           |
| Power loss [V·A] of magnet coil at AC typical                                  | 8.5 V·A      |
| Control supply voltage                                                         |              |
| • 1 at AC                                                                      |              |
| — at 50 Hz rated value                                                         | 400 V        |
| — at 60 Hz rated value                                                         | 400 V        |
| • 2 at AC                                                                      |              |
| — at 60 Hz rated value                                                         | 440 V        |
| Operating range factor control supply voltage rated value of magnet coil at AC |              |
| • at 50 Hz                                                                     | 0.8 ... 1.1  |
| • at 60 Hz                                                                     | 0.85 ... 1.1 |

| Certificates/approvals   |                           |                   |
|--------------------------|---------------------------|-------------------|
| General Product Approval | Declaration of Conformity | Shipping Approval |
