| Technical data:  |    |                  |
|--|----|------------------|
| Current / for AC / rated value                           | A  | 160              |
| Operating class of the fuse link                         |    | gG               |
| Size of the fallback-system / acc. to DIN EN 60269-1     |    | NH0              |
| Supply voltage   |    |                  |
| • for AC / rated value                                   | V  | 500              |
| • for DC   | V  | 440              |
| Switching capacity current                               |    |                  |
| • in accordance with IEC 60947-2 / rated value           | kA | 120              |
| • with DC / in accordance with IEC 60947-2 / rated value | kA | 25               |
| Design of an identification indicator                    |    | Front indicators |
| Ambient temperature                                      |    |                  |
| • minimum  | °C | -5               |
| • maximum  | °C | 40               |

Certificates/approvals:

| General Product Approval  | Declaration of Conformity   | Test Certificates            | other                        |
