KT Series

A track mounted downlight with
a variety of finish options

Downlights KT Series

Track mounted cylinder

Track-mounted to bring the glare control of downlights to open ceilings

A digitally manufactured lightweight housing provides a distinctive aesthetic to traditional downlighting applications with multiple design options available

Tailored to your preference

Custom designs for demanding project needs

With our flexible digital production system, our fixtures can be modified in a variety of ways. Contact us to discuss your specific needs.

Fast lead times

Custom options delivered fast

We can supply a wide range of customization options without long lead times. Our revolutionary new manufacturing technology allows us to deliver unprecedented speed, flexibility and economy.

Circular economy ready

Fixtures inherently designed for low environmental impact

We optimize the design of our fixtures expressly to reduce our product’s environmental impact: Lightweight materials reduce our carbon footprint during production and reduce the fixture’s weight to minimize our transportation footprint.

KT Series configuration guide

Lumens	CCT	CRI
1000	3000K	80+
2000	4000K	90+
