## ANSMANN FL3200R

- ANSMANN rechargeable work floodlight
- Various brightness levels can be selected via the on/off switch, ensuring that the spotlight can always provide optimum illumination for the task at hand. The homogeneous illumination is ideal for working in indoor and outdoor areas - such as workshops, construction sites, industry, house, garden, yard or garage.
- Can also be used without a power outlet - Integrated li-ion rechargeable battery pack with safety electronics to protect against over-loading and deep-discharge
- LED rechargeable battery capacity indication - checking the available capacity
- Splash-proof - can be used indoors and out
- Very pleasant LED light with a colour temperature of 6000K (daylight)
- Versatile use thanks to the sturdy adjustment bracket, enabling the light to be directed to the right place simply and conveniently.

## INFORMATION

Product name	FL3200R
Part No.	1600-0295
EAN-Code	4013674155651
Customs tariff number	8513100000
Product content	Work floodlight, AC mains adapter (EU plug), operating instructions

Product	272,5 × 235 × 71 mm / 1940 g
Packing + Product	330 × 284 × 93 mm / 2353 g
Packing Unit	4 (395 × 305 × 350 mm)
