

Brusertermostat VA-godkendelses nr.: VA 1.43/17874

- Badeværelse, Brus
- Termostatisk
- WallMounted
- Forkromet
- Termostatisk temperaturregulering, Temperature fixable

## Tekniske data

### Flow attributter

|                        |                 |
|------------------------|-----------------|
| Vandmængde ved 300 kPa | <b>0.27 l/s</b> |
| Tryk tab (0.2 l/s)     | <b>165 kPa</b>  |

### Tekniske egenskaber

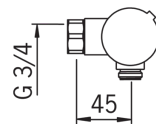

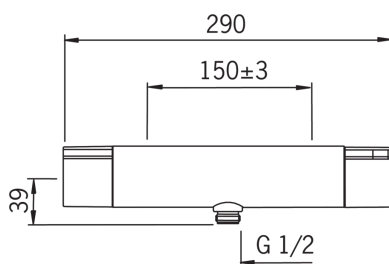

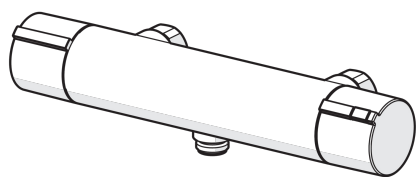

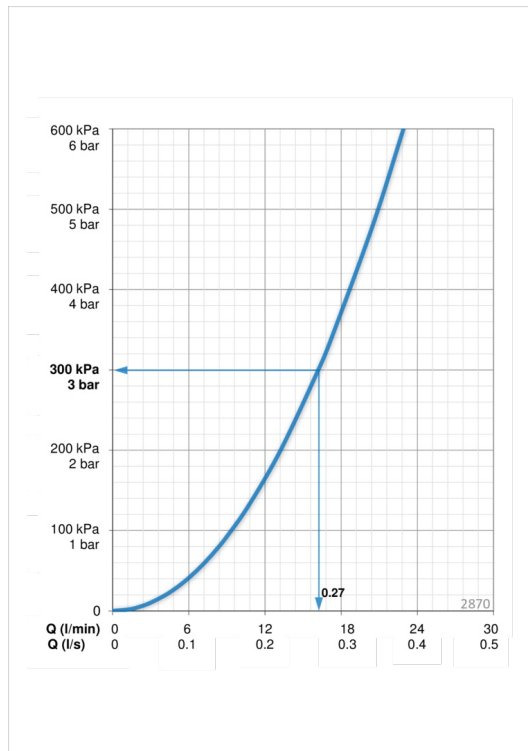

|                       |                       |
|-----------------------|-----------------------|
| Varmtvandsforsyning   | <b>max. +80°C</b>     |
| Arbejdstryk           | <b>100 - 1000 kPa</b> |
| Tilslutningsstørrelse | <b>G1/2</b>           |
| Installationsbredde   | <b>CC150± 3 mm</b>    |
| ItemMaterial          | <b>brass</b>          |

### Bestemmelser

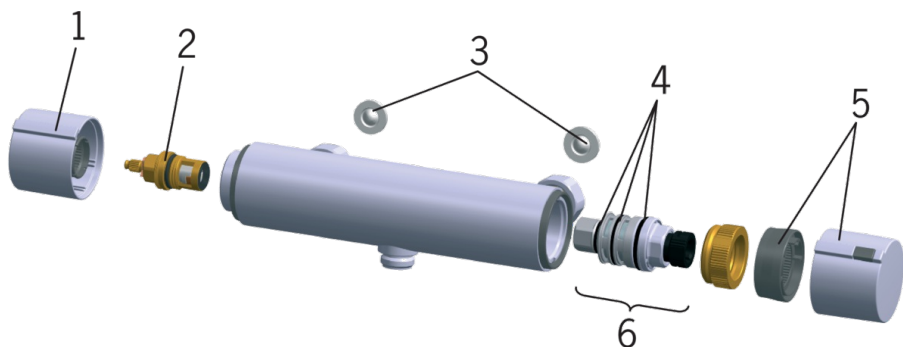

|             |                     |
|-------------|---------------------|
| EN standard | <b>EN 1111</b>      |
| Støjklasse  | <b>I (ISO 3822)</b> |

### Typegodkendelse

|                |                         |
|----------------|-------------------------|
| STF certifikat | <b>VTT-RTH-04949-08</b> |
| ETA-Danmark    | <b>VA 1.43/17874</b>    |
| Sintef         | <b>Sintef Nr. 1324</b>  |
