

R-068

Cut resistant fully coated impact glove

Impact

Light Duty

Innovative impact, cut, and liquid protection combined with superior dexterity for ultimate comfort in a variety of end uses

- The Ringers 068 R-Flex Impact glove with Nitrile Full Dip combines protection against impact hazards with full-dipped coverage for liquid protection and the highest levels of cut resistance when you need it most.
- Developed with Ringers' F3 Technology™ and patented TPR design for superior dexterity and comfort.
- An additional half-dipped sandy finish palm ensures secure grip in wet and dry environments, and touchscreen compatible index, middle and thumb tips allow technology interaction.

Industries

- Construction
- Oil and gas
- Manufacturing
- Mining

Applications

- Makeup and breakout tools
- Running tools into the wellbore
- Handling explosives
- Assembly and disassembly of large pipes
- Engagement and release of drill string slips
- Unloading and stacking pipe
- Set-up of pressure manifold and tubing injector head
- General pumping work
- Loading and hauling
- Assembling and mounting components
- Concentration mixing and palletisation
- Hydraulic repair
- Use of binding agents
- Smelting and cleaning of equipment
- Re-fuel oil fluid and diesel

R-068
