

# TECHNICAL DATA SHEET

## PRODUCT NAME

blackbolt® Multi Oil

## PRODUCT NUMBER

3356985011

## PRODUCT DESCRIPTION

Multi Oil is ideal for a wide range of lubrication tasks, including the oiling of machinery, locks, hinges, bearings and much else besides. Multi Oil is both odour-free and transparent. It displaces moisture to leave a protective film on such items as electric motors and switches, ignition components and so on. Multi Oil also deals with items like squeaking hinges, and reduces friction wear in general.

## PROPERTIES

Universal lubricant

Outstanding adhesion and penetration properties

Ideal for the lubrication of machinery, locks, hinges, bearings and much else besides

Does not contain acid or silicone

## DIRECTIONS FOR USE

Shake the can and spray the product directly onto the item concerned.

## MARKINGS/SAFETY

Pressurised container: May burst if heated. If medical advice is needed, have product container or label at hand. Read label before use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Pressurized container: Do not pierce or burn, even after use. 0 mass percent of the product is flammable. Protect from sunlight. Do no expose to temperatures exceeding 50°C/122°F. Dispose of contents/container to an approved waste disposal plant. **Keep out of reach of children.**

Warning!

PR number	2111629
Net	320 g.
Volumen	500 ml.
Propellant	Carbon dioxide

Shelf life	Three years from date of manufacture. The product can be used for up to six years after the date of production, provided there is sufficient spray pressure to allow it to be applied to the surface in a satisfactory manner.
